(TEMPORARY CLOSURE) ORDER 2026

NOTICE IS HEREBY GIVEN that Milton Keynes City Council on 24th November 2026 made the above Order under Section 14(1) of the Road Traffic Regulation Act 1984. This order is to allow National Grid to undertake reconnection works. The effect of the above Order will be to temporarily close the following length of redway:

30th November – 4th December 2026

Redway FE02, Fenny Stratford – from a point level with Watling Terrace for 90 metres in a southerly direction.

Whilst the above length of redway is closed, the alternative route will be signed.

The Council is satisfied that the temporary closure Order is necessary to enable works to be carried out on the highway. The temporary Order will come into effect on 30th November 2026 and remain in effect for a period of 12 months and will take effect at times during the above period only when works are required and only when indicated by the appropriate traffic signs, which will be erected in advance of any closure.

There will be no exemptions from the provisions of the proposed Order except for emergency service vehicles on operational duties.

The closures will be clearly signed in accordance with Chapter 8 of the TSRGD 2016 (The Traffic Signs Regulations and General Directions 2016). All affected properties will be notified of the forthcoming closures at least one week prior to the works taking place.

Any person committing a breach of the order will be liable upon prosecution to such fine as prescribed by the Road Traffic Regulation Act 1984.
