### Impact of the session from attendees

#### ***Was this useful?***

*"It was good to look at the bigger picture and find out there is a 10 year strategic plan, what it means" "Yes – great opportunity to hear about council and other services/activities going on"*

*"Yes – chance to find out about strategy and meet other partners on the same page"  
"Yes, to get an overview of what is happening in MK"*

*"Yes, learnt about new organisations" "Very useful information altogether"  
"Yes, great to hear what's going on locally and to network"*

*"Good to hear about additional support initiatives and other services in MK "*

#### ***Key aspects that will be taken back, what you will do as a result and new links made?***

*"Continue working in the community ask more questions to see what locally is happening in my local area"*

*"Will think about what Hazard Alley offers within what we do that related to mental health and start highlighting it internally"*

*"Read the Health and Wellbeing Strategy to see how much we are contributing  
"Carry on doing what we do!"*

*"Link with APA as part of my work" "It was great to hear about local sports schemes I was unaware of"*

*"Improve on collaborative working with other agencies" "Improving wellbeing for people and families, update SENDS in staff meeting"*

*"New Services available, MK Strategies" "Information on the carers and parenting courses"*

### **What should we do next/Improvements to existing sessions?**

*"Lots of new contacts found"*

*"It would be good to have this sort of meeting in a years' time to see what differences – monitor what has change is/has have been made "*

*"Session/focus on voluntary and community sectors and what we are doing. With limited resources we have limited opportunities and ways to share what we do."*

*"Focus on early intervention – what's happening with young children that should prevent bigger issues further down the line"*

*"Bit of formal pushing people together to make new contacts, next steps plans, what comes next?"*

*"Help community organisations know how they can access, support from strategic partners, Contribute to strategy"*

*"More positive good news stories about the good work being done in MK to change lives" "Fund more activities in children and family centres"*

*"Continue with sessions, maybe have a what's on locally board that we can all add to each session" "More student testimonies for longer, come to our schools to spread the word"*
