MILTON KEYNES CITY COUNCIL (BRADBOURNE DRIVE (PART), TILBROOK) (TEMPORARY CLOSURE) ORDER 2024

NOTICE IS HEREBY GIVEN that Milton Keynes City Council has on 7th May 2024 made the above Order under Section 14(1) of the Road Traffic Regulation Act 1984, the effect of which will be to temporarily prohibit vehicles and pedestrians from entering, waiting or proceeding along the following part of road to allow Redbull to install a new data duct:

11th-12th May and 18th-19th May 2024

(24 Hours)

Bradbourne Drive, Tilbrook – from outside Balzers Tool Shop for a distance of 25 metres in an easterly direction.

Whilst the above closure is in place the alternative route will be via Brickhill Street and Sherbourne Drive (and vice versa).

The Council is satisfied that a temporary closure Order is necessary to enable works to be carried out on the highway. The temporary Order will come into effect on 11th May 2024 and remain in effect for a period of 6 months and will take effect at times during the above period only when works are required and only when indicated by the appropriate traffic signs, which will be erected in advance of any closure.

There will be no exemptions from the provisions of the proposed Order except for emergency service vehicles on operational duties.

The closures will be clearly signed in accordance with Chapter 8 of the TSRGD 2016 (The Traffic Signs Regulations and General Directions 2016). All affected properties will be notified of the forthcoming closures at least one week prior to the works taking place.

Any person committing a breach of the order will be liable upon prosecution to such fine as is prescribed by the Road Traffic Regulation Act 1984.
