

Welcome to Milton Keynes Council.

Milton Keynes Council provides lots of different services. If you just want information, then click on the service you want. Some information will be provided in text.

If you want more information or want to ask a question then contact the Council in the following ways:

- Email the service you need and the department will reply to your question
- Email the service and let them know that you need an interpreter. The service will book an interpreter and reply to you with the date and time of your appointment
- Contact the service via typetalk/minicom

or go to the Civic Office reception (next to the CMK library) where reception staff will be pleased to help you.

Please be aware staff may not speak your language. They will contact the relevant department you need who will arrange a contact date and time for you to discuss your needs through an interpreter.
