

School Buyers' Network

What our customers say

"We really appreciate your support and advice. As a small school we often come across something we haven't had experience of before, so asking someone who knows is very valuable."

Paula Isaac, School Administrator, Newton Blossomville C of E School

"This service provides cost savings from suppliers to offset the cost of the service."

Amanda McCorquodale, Finance Officer, Oxley Park Academy

"The team are always so very helpful and always reply to my queries so quickly. The service is extremely useful."

Louise Page, Bursar, St Andrew's Church of England Infant School

"We have used School Buyers Network to access best pricing for several services for the school this year. Knowing which frameworks to consider and using pre-tendered contracts saves us time and money."

Nick Higgins, Business Manager, Stantonbury Campus

"I have always found the service to be very useful and more specifically the response from the team to any of my queries to be speedy, helpful and reliable. Credit where credit's due – the team always try their best to help and it's very reassuring to know that anytime I'm stuck the team will either help me or point me in the right direction. Thank you!"

Shelley Mahoney, Senior Administrator/Finance Officer, PEC
