Guidance

Before you go to the expense of submitting an application you are strongly advised to speak to the various bodies that the Licensing team consult on any application received. This is because you may not get your application fee back if the application is refused and it would be worthwhile finding out if objections are likely to be received before you apply.

The main bodies that are consulted on applications are:

- a) The local Town / Parish Council in whose area you are planning to trade.
- b) The Environmental Health Division - 01908 252398.
- c) Thames Valley Police - 01908 686142.
- d) Highways (where you are trading on the road / road side) – 01908 252700.
- e) The Council Dept who manages the land concerned (where you believe you are seeking to trade on Council land).
- f) The Councils Estates Division for car parks / community halls / shops where they are nearby to your proposed trading location – 01908 252353.
- g) The Milton Keynes Councillor for the area concerned.
- h) The landowner where you are on private land.
- i) In addition you should also consider if your trading location is likely to cause a traffic / road safety issue as this will be taken as a relevant factor on any application.
