Dear Ms Travers

**FORMAL REQUEST TO INSPECTOR TO RECOMMEND MODIFICATIONS TO MAKE THE
CORE STRATEGY SOUND AND/OR LEGALLY COMPLIANT**

Following the closure of the hearings for the public examination of the Core Strategy, can you please recommend modifications that are necessary to make the Core Strategy sound and/or legally compliant?

This letter is based on the telephone conversation between our Cabinet Member Councillor David Hopkins and our Programme Officer this morning.

I look forward to hearing from you in due course.

Yours sincerely,

Nick Fenwick
Assistant Director: Planning, Economy and Development
