Dear Stephen

MILTON KEYNES CORE STRATEGY: SUBMISSION TO THE SECRETARY OF STATE

I advise you that, in accordance with the Town and Country Planning (Local Development) (England) Regulations 2004, Milton Keynes Council is submitting its Core Strategy to the Planning Inspectorate, along with the documents set out in Regulation 30 of the Town and Country Planning (Local Development) (England) (Amendment) Regulations 2008, for examination.

There are a total of seven boxes containing hard copies of each of the submission documents. Box 1 contains a copy of each of the core documents. In addition, please find the following information enclosed within this folder:

- A contents list for each of the seven boxes of documents
- A copy of the Proposals Map amendment
- A summary of the main issues raised in the representations (in accordance with Regulation 30(1)(e))
- A copy of the Core Strategy audit trail
 - The Audit Trail sets out the timeline for the production of the Core Strategy, highlighting dates of consultations periods, Council decisions and when key pieces of evidence were produced. It also charts the development of the individual policies found in the Submission Core Strategy.
- A schedule of minor changes proposed by the Council
 - The Council has prepared an initial schedule of minor changes covering typos and factual correctness which it would like to be considered.
- A copy of the proposed newspaper advert giving notice of the submission
- A copy of the Housing Technical Paper
 - The Housing Technical Paper was produced after the period of Pre-Submission Participation. It's purpose is to clarify the Council's position on a reduced housing target from the original Pre-Submission Core Strategy (Feb 2010)
- Contact details for the Development Plans Manager and the Programme Officer
- A CD containing electronic copies of all of the submission documents, where these exist.

All of the documents are also available to view and download online through our website at <http://www.milton-keynes.gov.uk/core-strategy-submission>. Details of the examination timetable and the hearings will also be published on this page.

We intend to forward a copy our completed Self Assessment, along with a Employment Technical Paper, in the next 10 days once the final details have been completed.

If there are any questions or any additional information is required, please contact me using the details above.

Yours sincerely,
