

Early Years' Pupil Premium

From April 2015, nurseries, preschools, childminders and other childcare providers will be able to claim extra funding through the Early Years Pupil Premium to support children's development, learning and care.

The funding of £300 a year goes to your nursery, preschool or childminder and they can use this to support all the children who are eligible for the funding. 3 and 4 year olds whose parents have certain benefits, or a child who has been in the care of the Local Authority in the past are eligible for this funding.

Your preschool, childminder or nursery needs to check whether your child is eligible and will ask you to complete a form. All information on the form is kept safe and will be used just to see if your child is eligible for the Pupil Premium funding now and when they are at school.

Please ask your nursery, preschool or childminder if you have any questions.

This money will make a big difference to your child's nursery, childminder or preschool and how they can support your child, so please complete the form.
