MILTON KEYNES COUNCIL PUBLISHES THE GREAT LINFORD NEIGHBOURHOOD PLANS NORTH AND SOUTH

Milton Keynes Council will be publishing the submitted Great Linford Neighbourhood Plans for the North and South of the parish for six weeks, from Monday 10th August until Wednesday 21st September 2015. This note has been prepared to give you some more information about the publication and examination of the neighbourhood plans.

What are the Great Linford Neighbourhood Plans?
Neighbourhood Plans are a way for communities to decide the future of the places where they live and work. They were introduced in the Localism Act 2011 as a way of letting the people who know about and care for an area, plan for it. Neighbourhood planning is about building neighbourhoods and planning positively for development – not stopping growth. The Act explains how communities can get more involved in planning for their areas – specifically how they can create plans and policies to guide new development and in some cases grant planning permission for certain types of development.

Great Linford Parish Council has prepared two Neighbourhood Plans, one for the northern part of the Parish and one for the southern part. As explained in Section 2 of each Neighbourhood Plan, the Parish Council, following a number of meetings and some initial background evidence, considered that:

“the issues and demographics across the whole of the parish were too diverse for a single cohesive plan with a truly local focus. Therefore, in November 2013, an application to re-designate the single plan into two distinct plan areas was made as follows:

South - Bolbeck Park, Conniburrow, Downhead Park, Downs Barn, Neath Hill, Pennyland, Tongwell and Willen Park.
North - Blakelands, Giffard Park, Great Linford and Redhouse Park”

Both of the Great Linford Neighbourhood Plans set out planning policies to guide new development, including new housing, Homes in Multiple Occupation (HiMOs) and employment. The policies address matters including sport and recreation land and facilities; green spaces; accessibility; heritage assets; shops and services.

At the beginning of the process to prepare the Neighbourhood Plans a questionnaire survey of parish residents was carried out to identify issues. Consultation on the pre-submission draft plans then took place from 19th January to 1st March 2015.

Now that the Plan has been submitted to Milton Keynes Council this publicity period is the final opportunity for you to have your say on this document before it is considered by an independent examiner.

What is the next stage in the Plans’ preparation?
The Great Linford Neighbourhood Plans North and South will be publicised for six weeks so that people interested in each Plan can make comments on it. During the publicity period Milton Keynes Council, in consultation with Great Linford Parish Council, will appoint an independent person to examine the plans.

The Localism Act 2011 sets out what the examiner can consider when he or she is examining a neighbourhood plan. The Act does not allow consideration of the soundness or quality of the plan, so the examiner cannot recommend changes solely to improve the plan. Instead, the examiner has to consider whether the plan:

a) meets the basic conditions (for an explanation of these see the next section)
b) satisfies the legal requirements for neighbourhood plans and
c) identifies an appropriate area for the referendums.
The examiner of the Exeter St James Neighbourhood Plan also considered that it was appropriate for him to also have regard to the statement in the National Planning Policy Framework that “plans should provide a practical framework within which decisions on planning applications can be made with a high degree of predictability and efficiency”.¹

What are the Basic Conditions?
The Basic Conditions are set out in the Localism Act 2011 and provide four tests against which neighbourhood plans are examined:

**Test 1: Is the Plan appropriate having ‘regard to’ national policies and advice contained in guidance issued by the Secretary of State?**
So that it does not prevent or affect the delivery of nationally important planning policies, a neighbourhood plan must have an appropriate fit with national policy. The wording of the test means that there is some flexibility where:
- it is not possible or appropriate for the plan to be consistent with every piece of national policy
- different parts of national policy need to be balanced against each other.

**Test 2: Does the Plan contribute to the achievement of sustainable development?**
This test is consistent with the basic planning principle that all plan-making and decision-taking should contribute to delivering sustainable development.

The independent examiner will need to see evidence to prove that the neighbourhood plan meets this condition. The neighbourhood plan is not a development plan document. It does not legally require a sustainability appraisal of the type that has been prepared for the Milton Keynes Core Strategy for example. However communities can make use of evidence available from the Core Strategy sustainability appraisal in order to help to show that this test has been met.

**Test 3: Is the Plan in general conformity with the strategic policies contained in the development plan for the Milton Keynes Council area?**
The neighbourhood plan must be in general conformity with the strategic policies of the development plan that is in force at the time of its examination. This is to be sure that the neighbourhood plan does not undermine those policies which are central to delivering the overall planning and development strategy for the wider area.

In order to be in ‘general conformity’, the neighbourhood plan should uphold the general principle of the strategic policies idea or issue it is concerned with. The test provides an important degree of flexibility. It enables communities to come to a different view on a strategic policy in their neighbourhood plan as long as they have good reasons and evidence and can show that they “generally conform” with the policy proposals.

**Test 4: The plan should not breach, and should otherwise be compatible with, EU obligations**
The neighbourhood plan must be compatible with various European Union obligations in order to be legally compliant. There are three Directives that may be of particular relevance to neighbourhood planning
- Strategic Environmental Assessment (SEA) Directive
- Environmental Impact Assessment Directive
- Habitats Directive.

The plan must also be compatible with the European Convention on Human Rights (ECHR). A fair balance has to be struck between the rights of those affected by any development as a result of a draft neighbourhood plan and the rights of the wider community. Those affected by a development must have their interests considered in a meaningful way through consultation and the independent examination.

What can I comment on at this stage?
At this stage you can comment on the Plans and their policies. It is however important to remember that, as the Examiner will only be able to recommend changes to the plans that are necessary to ensure that each meets the Basic Conditions, you should consider in particular whether each plan meets those Basic Conditions. The Basic Conditions Statement submitted with each Neighbourhood Plan set out how the Parish Council considers it to have met the tests, but you may disagree.

When making comments you can request that you be notified of Milton Keynes Council’s decision under Regulation 19 (making a plan) to ‘make’ the submitted neighbourhood plans for Great Linford North and South.

I made comments on the draft plan in the previous consultations last year, do I need to repeat those comments?
All of the issues raised in response to the pre-submission consultation should be included in the Consultation Statement submitted with the Plan. However if any changes have been made to the draft Plan since the consultation last year that raise new issues or affect the points you made last time, you might want to send in some further comments. All comments made at this current stage will be sent on to the Examiner.

What happens next?
At the end of the publicity period any comments received will be passed on to the Examiner who will then carry out an Examination of the plan. It is down to the Examiner to decide how he/she wishes to undertake the Examination – it is possible that the Examiner will just use the written representations that have been received but a public hearing could be held if the Examiner feels that it is beneficial to do so.

The Examiner will consider whether the Plan meets the Basic Conditions or whether any changes need to be made to the plan in order to improve it. The Examiner will decide if the plan should proceed to the Referendum stage. Assuming that the Plans pass the Examination stage there will be a Referendum on each.

Questions?
If you have any questions, you can
• Call the Development Plans team on 01908 252358
• E-mail us at, development.plans@milton-keynes.gov.uk or
• Go to the Planning Policy pages of the website http://www.milton-keynes.gov.uk/planning-policy
• For general information about Neighbourhood Planning see: https://www.gov.uk/neighbourhood-planning

Making comments

Any comments on the submitted Great Linford Neighbourhood Plan North or South must be received by the Development Plans Team at the following address before 5pm on Monday 21st September 2015.

Development Plans Team  
Milton Keynes Council  
Civic Offices  
1 Saxon Gate East  
Central Milton Keynes  
MK9 3EJ

E-mail address: development.plans@milton-keynes.gov.uk

Please be aware that all comments that we receive will be publicly available and may be included on our website.

A hard copy of the documents is also available to inspect at the following locations:

- Milton Keynes Council Civic Offices, 1 Saxon Gate East, Central Milton Keynes, MK9 3EJ, during normal office hours 9am-5.15pm
- Great Linford Parish Office, Tower Crescent, Neath Hill, MK14 6JY
- Milton Keynes Central Library and the Mobile Library
