“Milton Keynes Day Nurseries will ensure a safe and happy place where everyone is valued and children’s needs are acknowledged, accepted and met. We aim to provide a fun, stimulating environment where children can grow in confidence and be supported to be imaginative, independent and reach their full potential”

Milton Keynes Council’s day nurseries provide quality, affordable and flexible childcare.

Our, friendly and dedicated staff are fully trained to deliver the Early Years Foundation Stage curriculum and ensure children are well prepared as possible to start school.

We offer:

- Flexible childcare from full day care, or morning and/or afternoon sessions.
- Up to 15 FREE government funded hours per week (on a flexible basis) for three and four year olds, and eligible two year olds.
- Access to a wide range of resources, facilities and a team of professionals providing child and family support within linked children’s centres.
- Open 51 weeks of the year from 8am to 6pm.
