Dear Sir/madam

Emberton Neighbourhood Plan – Application for the Designation of the Plan Area

At the parish council meeting on the 6th June 2016, it was agreed that Emberton Parish Council shall produce a Neighbourhood Plan to ensure that future planning and development is supported by and sensitive to the needs of the local community. It was also agreed that the geographical scope of the Plan should be the entire Parish.

Emberton Parish Council hereby applies to Milton Keynes Council for it to designate as a Neighbourhood Area all that area of land situated within the Parish of Emberton, which is shown edged in red on the attached map, in accordance with the requirements of Regulation 5 of the Neighbourhood Planning (General) Regulations 2012.

The Parish Council believes that the entire Parish is the most appropriate area for the following reasons:

- It is a clearly defined and long-established area with a history dating back several centuries
- It is the local government administrative area for the Parish Council of Emberton

The Parish Council confirms that it is a relevant body to prepare a Neighbourhood Plan for the purposes of section 61G of the Town and Country Planning Act 1990.

Yours sincerely

Karen Goss

Clerk to Emberton Parish Council
