The Early Years Inclusion Service

The service supports the inclusion of children with special educational needs (SEN) who are under school age. The service works within the Milton Keynes borough and has three locality teams. Each team has a team leader led by a Specialist Teacher for Inclusion and three area INCos (Inclusion Coordinators).

Course Summary:

The FACT has been developed during the last few years and is now firmly established across MK as the first action when a child is presenting with additional needs. There is a high correlation between behaviour and speech and language difficulties. This course is available as a rolling programme to ensure that all staff working in schools are confident in using the FACT.

Course Content:

- The FACT background
- How to use the FACT

Case studies

The pathway of support in using the FACT

Headteachers, Teachers and Teaching Assistants who are working with children and young people with SLCN. This course is open to other professionals who feel they would benefit from this course.

Contacts for Children's Social Care Courses

The Children's Social Care team offers a range of courses which are offered free of charge to people working with children aged 0 – 19 years. Places will be allocated, giving priority to Children's Social Care staff and those for whom the training is most relevant.

Although designed for those working in Children's Social Work, many of the short courses meet the needs of childcare workers, family support workers and those working in Children's Centres and Early Help Services.
