

Milton Keynes Council Response to AP45 of Action Points arising from Stage two Plan:MK Examination Hearing Discussions

MKC Response:

The map identifies 400m 'buffer zones' from the centre points of primary and secondary schools and includes the boundaries of CMK, town, district and local centres.

NB: Policy EH8 intends to measure 400m based on the most logical walking distance from the main school entrance. It is therefore likely that the buffer zones, as shown in the supporting map, will be reduced and is only an indicative map.
