ON TRACK TO SUCCESS

STEPHENSON (MK) TRUST

Stephenson (MK) Trust is a continually expanding organisation committed to supporting young people who are at risk of exclusion from mainstream secondary provision (Bridge Academy) and specialist secondary provision for students with Social Emotional and Mental Health needs (Stephenson Academy). We provide inclusive education for young people with a range of educational and social needs in order to maximise and improve their life chances.

Exciting opportunities have arisen to join our dedicated workforce. If you know how to put yourself in other people's shoes, are positive, flexible, resilient and can use your initiative, you could make a difference to the lives of these young people. Your job is about building relationships and committing to help students make progress, both academically and personally. Personal qualities such as integrity and being able to work effectively as part of a team are as important as experience, which is why our staff join us from different roles and trades.
