**We are expanding and we need more teachers - come and join us!**

- How would you like to be part of a large team with a real excitement and 'buzz'?
- How would you like to join a growing school with amazing resources and a brand new campus?
- How would you like a school that seriously values their staff and works hard to make sure you can do your job to the absolute best of your abilities?

Hi, I am the Executive Principal of Oxley Park Academy. I have been in post since January 2018 but in that short space of time I can genuinely say this is one special place to work. The children are absolutely amazing, the community is so supportive, the governors are fully behind our vision and most of all the staff team are just brilliant to work with. They are a truly genuine team looking out for each other and making sure everyone is supported in everything we do. Together, all our stakeholders make up 'Team Oxley.'

We want teachers to love their job and, at the same time, have a life! Wellbeing is paramount and if you want to feel valued, see your impact and have a real voice in this exciting new chapter for our school, you need to come and join Team Oxley!

If this has sparked an interest or made you pause, then come and meet me because it means that you've got the feeling there is something about this school that is unique. I would love to show you around both our superb campuses (Oxley Park and Shenley Wood). You can get a real feel for what Oxley Park Academy is about and I can share the exciting new vision of which you could be part.

I look forward to meeting you

*Noel Springett-McHugh*

Executive Principal.
