How would you like to be part of a large team with a real excitement and 'buzz'?

How would you like to join a growing school with amazing resources and a brand new campus?

How would you like a school that seriously values their staff and works hard to make sure you can do your job to the absolute best of your abilities?

Hi, I am the Executive Principal of Oxley Park Academy. I have been in post since January 2018 but in that short space of time I can genuinely say this is one special place to work. The children are absolutely amazing, the community is so supportive, the governors are fully behind our vision and most of all the staff team are just brilliant to work with. They are a truly genuine team looking out for each other and making sure everyone is supported in everything we do. Together, all our stakeholders make up 'Team Oxley'

We can offer you:

- ◆ A modern, vibrant, "non-institutional", child centred environment across two superb campuses (Oxley Park and Shenley Wood)
- ◆ The chance to become a member of a great staff team who work hard to maintain our environment and deliver the best to our children,
- ◆ A place where well-being is high on our agenda
- ◆ The opportunity to join a great team of teaching assistants
- ◆ Support with your career progression if this interests you

If this has sparked an interest or made you pause, then come and meet the team because it means that you've got the feeling there is something about this school that is unique. We would love to show you around both our superb campuses (Oxley Park and Shenley Wood) You can get a real feel for what Oxley Park Academy is about and we can share this exciting new vision of which you could be part.

We look forward to meeting you.

Noel Springett-McHugh

Executive Principal
