

DENBIGH SCHOOL

“DENBIGH IS IN THE TOP 10% OF SCHOOLS NATIONALLY, WINNING AN AWARD FOR ITS EXCEPTIONAL PERFORMANCE” – SSAT April 2016

A TEACHING SCHOOL – (July 2011)

The Denbigh Alliance is a recently established multi academy trust, prior to which it became a converter academy trust in 2011 as an outstanding school. The Trust currently includes Denbigh School which is based in Milton Keynes and provides a comprehensive co-educational, non-faith, inclusive provision for 11-19 age groups, securing exceptional outcomes for all. This is an exciting time to join the Denbigh Alliance as we have recently been awarded the new secondary school which will open as part of the western expansion in September 2020.

The Denbigh Alliance has a track record of delivering academic success in subjects which offer students a real currency to progress into higher education or employment. We consistently outperform the Milton Keynes and national averages in terms of the results our students achieve. This academic success is built on the supportive, well-disciplined and dynamic learning environment we provide, which enables our students to focus on their studies. We believe that for a School to succeed there needs to be a genuine spirit of partnership between students, the School and parents.

Our status as a Teaching School, Maths Hub and SCITT recognises that we are among the best in the country in terms of raising standards, both within our Trust and in the schools, we support.

We only recruit the very best in our field and are excited to offer the following vacancy to those who feel that are ready to make that next step in their teaching career.
