The Milton Keynes Academy are currently seeking an excellent practitioner to join us as Cover Supervisor.

We are an Academy with strong links in the community. Our Academy is underpinned by an ethos based on raising aspirations and raising achievement, so that we realise our mission of providing opportunities for everyone. We are relentless in our pursuit of high standards and excellence and emphasise traditional core values of good behaviour, honesty and mutual respect.

We are a vibrant Academy (Ofsted judgement Good November 2017) with outstanding facilities. We cater for 1400 pupils aged 11-19 and welcome pupils of all abilities. We are a member of the Creative Education Trust (CET), which marks a new phase on our journey and will further strengthen the Academy on our pursuit to Outstanding. Further information about CET can be found on their website at http://www.creativeeducationtrust.org.uk/

The successful applicant will play a key role in supporting the quality of students learning and progress. The main purpose of the role is to supervise whole classes during the short-term absence of the class teacher. This will include implementing work programmes, managing student behaviour and assisting students in relevant activities in line with the Academy's policies and procedures. Experience of a similar role would be advantageous, as would an application from an aspiring teacher.
If you are a talented professional with passion, commitment and resilience, and if you are driven to make a difference to the lives and futures of young people, we would like to hear from you. Please contact Clare Read, Director of English, for more information on 01908 341700 or email us at careers@miltonkeynesacademy.co.uk

Further details and an application form can be found on our website at www.miltonkeynesacademy.co.uk

The Milton Keynes Academy and Creative Education Trust are committed to safeguarding and protecting the welfare of children as its number one priority. This commitment to robust recruitment, selection and Induction procedures extends to organisations and services linked to the academy on its behalf.
