This is a non-teaching role.

We are looking to appoint a Team Leader for our Learning Support Unit (LSU). The LSU is a nurture base and the Team Leader will be responsible with the Director of Inclusive Learning to develop provision for students requiring social, emotional and mental health (SEMH) intervention, including those who may have additional special educational needs and barriers to learning, thus improving outcomes for these groups of students.

The Team Leader will be responsible for the smooth day to day running of the LSU, as well as overseeing the provision for social, emotional and mental health for students within the Inclusive Learning Faculty. This will include leading the ASDAN programme, running nurture groups and ensuring that there is an effective mentoring programme.

The Team Leader for LSU will manage a small team of Learning Support Advisors who will assist in the delivery of the day-to-day duties. The successful candidate will liaise closely with parents and teaching staff, conducting regular reviews of academic, as well as social and emotional progress.
