SURRENDERING BADGE/LICENCE DECLARATION

I confirm that as a licenced Hackney Carriage/Private Hire Driver I am surrendering my licence(s) to Milton Keynes Council and request that the licence be suspended or revoked by the Council as may be appropriate in the circumstances.

In these instances the Council shall suspend or revoke in order to exempt the driver from any continuing obligations and to protect members of the public.

I understand that I can no longer work as a Hackney Carriage/Private Hire Driver without committing an offence during this period.

I understand that I have 21 days to submit a written appeal to the Council.

Please confirm that you have read and understand the declaration above.
