

CONSULTATION RESULTS

EATON AVENUE, LENNOX ROAD AND LEON AVENUE, BLETCHLEY

We recently asked for your comments and views on our proposals for traffic calming measures (speed humps and reduced speed limit) on Eaton Avenue, Lennox Road and Leon Avenue in Bletchley.

We received a number of comments and suggestion during the public consultation both for and against the proposals. After careful consideration, the Head of Highways has decided to proceed with the proposals.

For more information about this please refer to the link at the bottom of this notice.

The approved proposals include:

- Installation of a 20mph zone on Eaton Avenue, Lennox Road and Leon Avenue.
- Construction of speed cushions on Eaton Avenue
- Upgrade of existing footway link on Eaton Avenue to access the recreation ground

There will be some road closures in place whilst we do these works, however we will ensure there is access to all properties at all times.

You can find out more about this consultation at www.milton-keynes.gov.uk/highways-and-transport-hub in the 'Information and Documents' section.
