## Intro: Cardboard Shield

this instructables will teach you how to make a cardboard shield. this is my first instructables so it might not be great.

## Step 1: Things you need

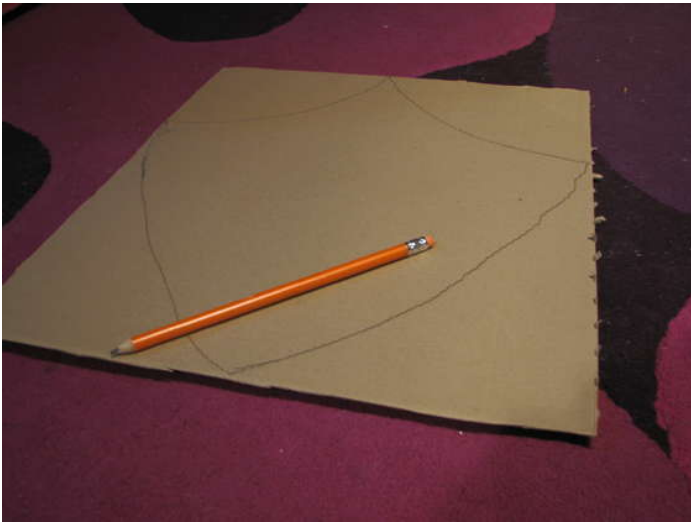

things you will need.

- cardboard
- markers, colored pencils, construction paper, or crayons
- scissors
- pencil works best

## Step 2: Draw the outline

draw the outline of the shield. be creative. do anything you want. Then cut it out.

**Step 3: Color it in!**

color this in however you want, you can do construction paper also!

**Step 4: And your done!**

do whatever you want to make them better.
