

# What's Next?

## Did you know?

You might have heard that you need to stay in learning until you're 18.

You could do one of the following:

- Stay in full-time education
- Start an apprenticeship or traineeship
- Spend 20 hours or more a week working/volunteering, whilst in part-time education or training

## Help?

**Whatever your results you can access free impartial advice from us about:**

- Training and education opportunities
- Apprenticeships and traineeships
- Re-engagement courses
- CV writing and interview skills
- Applying for full and part time employment
- Youth projects and clubs
- One to one support

### Options in Milton Keynes

#### *Stay in Full-time Education*

Sixth form, studying post-16 qualifications or other programmes such as BTEC courses. Speak to your school if you need advice.

#### *Vocational Qualifications*

College courses are a good way of developing skills and knowledge in a field of your choice. All colleges accept late applications online (depending on availability). Search their Advisory Day details online.

#### *Work & Train*

Apprenticeships give you paid employment and training at the same time with a variety of sectors running programmes.

#### *Learn Skills with a Training Provider*

Traineeships prepare you for an apprenticeship or employment with training and include work experience, employability skills and support with English and Maths.

#### *Take a Short Course to Improve Your Skills*

There are a variety of short programmes and re-engagement courses designed to help you gain qualifications, new skills, confidence, and support.

#### **Still not sure?**

**Try a quiz to help you find out where your skills & interest take you. Search online for:**
