

# Recycle Matching Pairs Memory Game

Learn through play

Recycle Matching Pairs is a memory game where you need to match pairs of cards. Playing is very simple - you turn over one card and then try to find the matching card.

## Before you start:

- Print off the Matching Pairs Cards below onto thick paper or card, single sided, in colour. Laminate if desired.
- Cut out each card.

## How to play matching pairs card game

1. Mix up the cards.
2. Lay them in rows, face down.
3. Turn over any two cards.
4. If the two cards match, keep them.
5. If they don't match, turn them back over.
6. Remember what was on each card and where it was.
7. Watch and remember during the other player's turn.
8. The game is over when all the cards have been matched.
9. The player with the most matching cards wins – you are the Recycling Champion!
