Cancellation and refund policy

We may, regretfully, have to cancel courses if we do not receive enough enrolments, or close them if there is a high level of non-attendance or withdrawal. In these circumstances you will be informed as soon as possible by phone/text or email and a refund will be made by crediting your credit/debit card. It is not possible for us to make refunds in cash.

To avoid disappointing learners who enrol on courses which do not attract quite enough learners to be fully viable, Community Learning MK reserves the right to adjust the course length. For example a course may be delivered more intensively and end a week early. Under these circumstances no refunds or partial refunds are possible.

Session cancellation due to extreme weather

Wherever possible we will offer replacement or extended sessions to make up for sessions cancelled due to extreme weather, tutor illness or other unforeseen reason. In the unusual event that this is not possible, we will recompense learners by issuing a pro-rata refund or credit against a future course.

Cancellation or transfer by the learner

If you need to withdraw from a course and inform us in writing at least 10 working days before a course is due to start, you will be eligible for a refund of all fees minus a £30 administration charge. If you withdraw from a course at any other time, you will not be eligible for a refund. However, in exceptional circumstances and at our discretion, we may be able to offer some credit against a future course. Requests to transfer courses may also incur a £30 administration charge unless recommended by your tutor or a member of Community Learning MK staff because a course at a different level will better meet your needs.
