Kingsbridge Educational Trust wishes to appoint a Teaching Assistant to Kents Hill Park School - an all-through free school for children aged 3 to 16, which opened in September 2018. This is an exciting and rare opportunity to be part of the team who will successfully develop and grow this new school in the Kents Hill Park area of Milton Keynes. Kents Hill Park has both secondary and primary phases. Eventually there will be 750 pupils in the secondary phase and 330 pupils in the primary phase, alongside a 26 place nursery. The school continues to grow and there are currently 540 pupils.

The role involves delivering Direct Instruction (DI) phonics and decoding interventions across different year groups, so the right candidate will be confident delivering lessons to small groups as well as having a good knowledge of phonological acquisition. We are looking for a dedicated, dynamic and conscientious colleague committed to team working who can carry out the role of Teaching Assistant; for this role we require a relevant NVQ qualification. In return, the Kingsbridge Educational Trust will offer excellent conditions of service and excellent support.
