We are looking for an exceptional Teaching Assistant who has a passion to inspire pupils and to do whatever it takes to achieve success. Our school aims to provide exceptional opportunities for each of our children in a supportive and challenging environment.

Our shared values at Knowles support us to think about the kind of people we aspire to be and the education we aspire to; they support us to learn about human diversity and instill in us the knowledge, skills and attitudes we need to live and work together in our community.

We aim to create a happy, caring, safe environment in which children develop self-confidence and independence; are encouraged to be considerate and show respect for others. Knowles children are encouraged to work hard; have a positive attitude to learning and become confident in their own ability. We are continuously seeking excellence for all children.
