NOTICE IS HEREBY GIVEN that the Council of the Borough of Milton Keynes proposes to establish a controlled pedestrian crossing under Section 23(1) of the Road Traffic Regulation Act 1984 (the Act). The type of crossing will be a '**zebra pedestrian crossing**', the construction of which will be carried out in accordance with the manner prescribed by regulations under section 25 of the Act.

The proposed crossing will be located on Aspreys in Olney near to its junction with the roundabout for Yardley Road and Drift Way. The centre point of the crossing will be from a point 15 metres south-west of its junction with the roundabout leading to Yardley Road and Drift Way. The crossing will extend from its junction with the roundabout leading to Yardley Road and Drift Way for a distance of 13.5 metres in a south-westerly direction (including both sections of white zig-zag lining). The crossing will extend across the whole width of the carriageway (6 metres).
