

# Box Puppet Theatre

Hours of fun from an old cardboard box!

## You will need:

Fruit or veg box	Scissors
Old tea towel or cloth	Glue / needle and thread
String / elastic	
Optional: cereal box	

1. Get an old fruit or vegetable box from the supermarket.
2. Carefully cut out the base leaving an edge of about 2 cm on all side.
3. Create curtains. Find an old tea towels or cloth, cut into 2 rectangles. Sew or glue a small hem across the top of each rectangle and then fed string or elastic through.
4. Make a small hole in each side of the box, push the ends of the string through and tighten to hold up your curtains.
5. If desired, add bunting to the front made from small triangles of cereal box threaded onto string.
6. Use toys or make your own puppets and create a story to entertain your family and friends!
