STEM Teacher

MPS Permanent and Full time Plus SEN allowance

Due to the expansion of our student population, we are now seeking an enthusiastic practitioner to teach STEM subjects, in particular Science and ICT from y7 to y9 to classes of 8 with additional TA support, and ICT, Media and Engineering options to y10-11 in groups of 4.

We are an established and successful special school for children with SEMH, many of whom have additional learning or communication needs.

We are a friendly and supportive team who have chosen to work with some lovely children who will engage well with good quality lessons and who are keen to build relationships with staff despite some of their earlier challenges. Working alongside these children and their families can be very rewarding and as a team, we work hard to improve their life chances.

We are seeking:

- A successful teacher who believes in bringing out the best in every child
- A passionate teacher who cares about education and is willing to get involved with pastoral concerns as part of the daily routine
- A teacher with the ability to be creative and use imaginative flair to engage our children
- We would be open to supporting teacher training for unqualified staff with an appropriate degree or someone at the start of their career as an ECT

Why choose our Academy?

We can offer you:

- A positive working environment where the wellbeing of both children and staff is a top priority
- A friendly and supportive team to work with
- High quality professional development and support including bespoke CPD
- Small class sizes, with the ability to be truly creative, not prescriptive
- A consistent TA to support you in your lessons
- Access to the resources and technology you need to be successful in the classroom
- Progression opportunities across the Trust
- Free access to holistic treatments as part of our wellbeing policy

Closing date for all applications: Midday, Friday 7th January 2022.

Interviews will take place on Thursday 13th January 2022.

Visits to Stephenson Academy and informal discussions are welcome by contacting:

Dr Marie Ramsay – Head of School – 01908 889400

CVs will not be accepted but an application pack can be found on our website:
