

Headteacher briefing for Love Exploring competition

What?

All primary school pupils in MK are invited to take part in the School Explorers competition using the Free Love Exploring App!

The Love Exploring App provides free, educational and fun games to play in and around Milton Keynes.

Why?

This is an opportunity to support your pupils and families to get active over the summer break by exploring MK's Parks using our fun and educational app.

When?

The competition is played over the summer holidays between 22nd July to 4th September

Get your school involved?

All we're asking you to do is share this exciting competition with your families and students.

We've created a simple parent briefing for you to share with your parents that should be attached to the heads up newsletter.
