Dear Mr Spencer

**Examination of Plan:MK – request to recommend main modifications**

When we submitted Plan:MK to the Planning Inspectorate on 29 March 2018, the covering letter included a request for the appointed Inspector to recommend any such main modifications that he/she considers necessary to make the Council's submitted plan sound and legally compliant.

So that this request may be enshrined within a published examination document, I should like to reaffirm that, in accordance with section 20(7C) of the Planning and Compulsory Purchase Act 2004 (as amended), the Council formally requests you to recommend any such main modifications that you consider to be necessary to make the submitted version of Plan:MK sound and legally compliant.

Yours sincerely
