

Young People's Homeless Prevention Service

Our Aim

To support young people to return home through joint mediation and support options discussions with parents/carers.

Accessing the service

Professionals – have a duty to refer you if you are, or are at risk of becoming, homeless

Young People – we work with 16 and 17 year olds who have finished school and are, or may become, homeless.

Turning 18 soon? Don't worry we will help you to access the Adult homeless housing team for when you turn 18.

How can we help?

Discuss – your situation; services that support better home relationships; solutions to housing

Assess – what added support is needed using yours and your families views

What we need from you?

Information – your personal details, what has led you to access our service and what support you feel you need

Contact details – of parents/carers and anyone you live with
