Notice of Adoption of the Milton Keynes Waste DPD 2007-2026

In accordance with Regulations 24 (4) and 36 of the Town and Country Planning (Local Development) (England) Regulations 2004, notice is hereby given that Milton Keynes Council formally adopted its Local Development Framework Waste Development Plan Document on 12th February 2008.

The Waste DPD covers the period to 2026 and replaces the existing Waste Local Plan (adopted in March 1997). The document follows on from the Milton Keynes Municipal Waste Strategy and sets out how the waste management requirements for the administrative boundary of Milton Keynes will be achieved. It covers the management of household (municipal), commercial and industrial, and construction and demolition waste. The document encourages sustainable waste management practices through the development of policies and proposals to guide actions and decisions.

The Waste DPD was considered by Stephen Pratt, an Independent Inspector, at an Examination in Public held in October 2007. The Inspector found the Waste DPD to be sound subject to a number of changes. The Inspector's Report, with its recommendations, was published on 14th December 2007. The adopted WDPD incorporates the binding recommendations of the Inspector.

Any person aggrieved by the Waste DPD may make an application to the High Court under Section 113 of the Planning and Compulsory Purchase Act 2004 on the grounds that either the document is not within the appropriate powers and/or that a procedural requirement of the Act or its associated Regulations has not been complied with. Any such application must be made no later than 6 weeks after the date of this notice (26th September 2008).

The Adopted Waste DPD, this Adoption Statement and the Sustainability Appraisal can be viewed electronically on the Council website www.milton-keynes.gov.uk. Hard copies of the documents are available for inspection at all Milton Keynes Libraries and at the Civic Offices.
