- Are you starting the needs assessment journey to an Education, Health and Care (EHC) Plan for your child?
- Is your child's Statement of Special Educational Needs or Learning Difficulty Assessment being converted to an EHC Plan?
- Do you need support with the process of developing an EHC Plan?

There are two services in Milton Keynes that have Independent Supporters who can help parents, young people and children with these processes:

MK Special Educational Needs and Disability Information, Advice and Support Service (MK SEND IAS) *formerly Parent Partnership Service*

Pre-School Learning Alliance

Independent Supporters have been independently trained by the Council for Disabled Children. This service will provide focused support around EHC Plans. Your Independent Supporter will always signpost you to the best place for any other support you may need outside this process.
