

PUBLIC NOTICE

THE COUNCIL OF THE BOROUGH OF MILTON KEYNES (CASTLETHORPE ROAD, HANSLOPE) (40 MPH SPEED RESTRICTION) ORDER 2022

NOTICE IS HEREBY GIVEN that Milton Keynes City Council proposes to make the above Traffic Regulation Order under Sections 84(1), (2) and (3) and Part IV of Schedule 9 of the Road Traffic Regulation Act 1984.

The effect of the above proposed Order will be to introduce a 40mph speed limit restriction along the following length of Castlethorpe Road, Hanslope:

- From a point 445 metres south of the centreline of Cuckoo Hill Rise, for a distance of 400 metres in a southerly direction.

The proposed 40mph speed limit comes as a result of the new 101 plot housing development which will be accessed from Castlethorpe Road and will serve the purpose of a buffer zone on Castlethorpe Road on the approach to the 30mph speed limit.

As the Highway Authority for that part of Castlethorpe Road, Milton Keynes City Council is satisfied that the introduction of the above proposed speed restriction will encourage the convenient and safe movement of vehicular and pedestrian traffic.

Milton Keynes City Council is now carrying out statutory consultation on the above proposal. Details on how to comment and of the proposed Order, together with plans showing the general arrangements and a statement of reason, may be inspected on the Council's website at: www.milton-keynes.gov.uk/consultations.

Any representations or objections to the proposals, together with the grounds upon which they are made, must be made in writing and sent to the Council's Traffic Regulation Order Team at Milton Keynes City Council, Civic Offices, 1 Saxon Gate East, Central Milton Keynes, MK9 3EJ, or by email to TROteam@milton-keynes.gov.uk quoting reference **TRO-339** and to be received no later than **6th October 2022**. Any representations received will be taken into consideration before the implementation of the scheme.
