The Occupier

02 September 2022

Dear resident,

Proposed 20mph Speed Limit – Walton Drive

As part of the proposed new roundabout being constructed on H9 Groveway junction with Walton Drive.

Milton Keynes City Council is considering introducing a 20mph speed limit along a section of Walton Drive. This will improve road safety for pedestrians, cyclists, and all road users particularly for those attending the Open University and Walton Pre Prep Nursery.

It is proposed to reconstruct the existing concrete block raised speed hump in asphalt at the same location, new road signage and markings will also be installed, please see attached drawing detailing the scope of works.

We would appreciate any comments on the proposals by Friday 23rd September 2022.

Yours faithfully

A handwritten signature in black ink that reads 'Diljeet Singh'.
