

Christmas Recycled Craft Ideas

Decorations, gift tags and cards

Robin tree decoration

Cut out robin shape from old cardboard cereal box. Add red plastic lid, googly eye and a small piece of ribbon.

Home made gift tags

Use up old Christmas cards but cutting down, hole punch the corner and add a colourful ribbon to create a gift tag.

Snowflakes

Take a square piece of paper or wrapping paper, fold in half to make a triangle. Fold again to make a smaller triangle. Use scissors to cut out shapes from the sides of the triangle. Unfold to reveal your beautiful snowflake.

Christmas cards

Using all of the ideas from above now turn these into lovely home made Christmas cards for your friends and family.

Christmas Recycled Craft Ideas

Paper chains, unusual decorations and jars of goodies

Paper chains

An old favourite, but still looks amazing! Cut scraps of colourful paper or leftover wrapping paper into thin strips, glue into a circle and then thread through the next strip & glue again. Hang from the ceiling or noticeboard.

Christmas tree decoration

1. Glue together old cardboard tubes to create an unusual Christmas tree. Or 2. fold down the pages of an old book to create this beautiful tree (search on-line for advice & ideas)

Festive houses

Cover old juice cartons in paper, add colourful buttons, cotton wool and use felt tip pens to make these festive looking houses.

Jars of goodies

Decorate an old jam jar with a Christmassy image and fill with sweets, bath salts, mini bath bombs, cotton wool balls, etc. for a lovely homemade present.
