

ID	Scheme Name	Location	Description	Scheme Type	Score %	Term
251	Blue Lagoon	Bletchley	Committed scheme to link up Blue Lagoon to Central Bletchley	Missing Link	0.86	Quick Win
292	V7 Saxon Street3	Milton Keynes	Proposed to join up missing link on the southbound side and improve quality as some sections on northbound side scoring low in path quality data	Missing Link, Redway Improvement	0.81	Quick Win
91	V7 Saxon Street2	CMK	Improving crossing points, consistent wayfinding, making this the gold standard for Redways in MK	Missing Link, Redway Improvement	0.77	Quick Win
273	Furzey Way	Bletchley	Highways committed scheme through Newton Leys estate	Missing Link	0.72	Quick Win
127	Gates at Avebury Blvs and V7	CMK	Temporary gates in place from Covid to be removed	Redway Improvement	0.7	Quick Win
142	MK Academy Junction	Milton Keynes	Improvements to safety at the Redway crossing near MK Academy, ensuring right priority given between the two Redway routes	Redway Improvement	0.69	Quick Win
274	Lakes Estate SW	Bletchley	Highways committed scheme (2) pedestrian extensions through Lakes Estate	Missing Link	0.68	Quick Win
46	Hospital	Milton Keynes	Improvements to the section of Redway near the hospital to include widening, speed regulation of cyclists (concern over high speeds due to downhill section) and access points	Redway Improvement	0.67	Quick Win
139	Walnut Tree	Milton Keynes	Improvements within the central area in Walnut Tree including shared space and cycle parking	Local Scheme	0.67	Quick Win
164	Railway Walk Newport	Newport Pagnell	Upgrade of existing Redway to Super Route standard, recommend widening and segregating	Redway Improvement	0.66	Quick Win
53	MK Academy	Milton Keynes	Improvements to the access Redway between CMK and MK Academy	Redway Improvement	0.65	Quick Win
124	MKC crossing with V6	CMK	Crossings of Grafton Gate between train station and Midsummer Boulevard, identified from the site visit as a crossing that needs to be improved	Redway Improvement	0.65	Quick Win
241	Driftway	Olney	Remove	Missing Link	0.65	Quick Win
279	V4 Watling Street2	West MK	From the highways committed scheme to support that new development	Missing Link	0.65	Quick Win
186	Manor Road	Bletchley	N-S connection along Manor Rd/Aylesbury St to connect Fenny Stratford Station to Water Eaton Road	Missing Link	0.88	Short
194	V7 Bletchley North	Bletchley	Upgrade of existing Redway along Saxon Street from Princes Way Roundabout to Watling Street. Improvements to include widening of southern section leading to Princes Way Roundabout and segregation along the whole scheme as potential to be a high flow route	Redway Improvement	0.87	Short
42	H9 Groveway1	Milton Keynes	Joining up of the Redway sections along H9 between V8 and V10, upgrading of this route to a Super Route	Missing Link, Redway Improvement	0.83	Short
173	Sherwood Drive	Bletchley	Upgrade of existing path along Sherwood Drive to Redway standard	Missing Link, Redway Improvement	0.83	Short
115	Avebury Boulevard	CMK	Creating a connection between MKC and Campbell Park along Avebury Blvd	Missing Link	0.82	Short
181	Drayton Road	Bletchley	New Redway through Lakes Estate & Water Eaton connecting Sir Herbert Leon Academy with Stoke Road	Missing Link	0.82	Short
191	North Street	Bletchley	Connecting end of existing Redway from Denbigh to Princes Way	Missing Link	0.81	Short
98	Watling Street	Bletchley	Connecting sections of missing Redway and improving crossing points along Watling St	Missing Link	0.8	Short
188	Bletchley High Street	Bletchley	Upgrade of cycle provision along Queensway, not necessarily a Redway - being investigated as part of the Central Bletchley Transport & Parking Study	Missing Link, Redway Improvement	0.8	Short
14	Buckingham Road	Bletchley	Providing Redway along Buckingham Rd to connect sections of existing Redway	Missing Link	0.79	Short
107	Wolverton	Wolverton	New Redway along Stratford Road to provide E-W connectivity in Wolverton. Note this could be replaced by schemes 134 or 209	Missing Link	0.79	Short
187	Water Eaton Road	Bletchley	Upgrade of existing paths to Redways and improve the crossing of the Railway	Missing Link	0.79	Short
74	Stony Stratford1	Stony Stratford	Creation of improved cycling provision through Stony Stratford providing access to the high street, with an alternative route along Clarence Rd if not possible to fit provision in town centre	Missing Link, Redway Improvement, Local Scheme	0.78	Short

129	Bletchley Station access	Bletchley	Improved access for cyclists and pedestrians to Bletchley Railway Station - being investigated as part of the Central Bletchley Transport & Parking Study and EWR improvements to the station	Missing Link, Local Scheme Redway Improvement	0.78	Short
86	V4 Watling Stree1	West MK	Joining up section of Missing Link along route, straightening out Redway at junctions to make more user friendly. Upgrade existing to Super Route standard	Missing Link, Redway Improvement	0.77	Short
92	V7 Saxon Street4	Milton Keynes	Filling in the missing link between Portway and Dansteed Way and general upgrade of the northern stretch to a more direct, segregated, wide Redway as proposed Super Route	Missing Link, Redway Improvement	0.77	Short
146	Fishermead to CMK	CMK	New Redway connection through Fishermead between H7 and H6 then through CMK to H5 along Secklow Gate	Missing Link	0.77	Short
189	Water Eaton	Bletchley	Upgrade of existing paths to Redways through Water Eaton and connecting to The Premier Academy	Missing Link	0.77	Short
192	Princes Way	Bletchley	Connecting Saxon St Redway to existing Redway on Princes Way	Missing Link, Redway Improvement	0.77	Short
24	H3 Monks Way1	Milton Keynes	Connecting up sections of Redway along this stretch and straightening out some sections to make more direct	Missing Link, Redway Improvement	0.76	Short
17	Castlethorpe to Wolverton	Castlethorpe	Upgrade of signed path/route between Castlethorpe and Wolverton along the Railway and NCN route	Missing Link	0.75	Short
18	CMK	CMK	Connection along Willan Gate and through car parks connecting V6 to V7	Missing Link	0.74	Short
125	Pentewan Gate crossing	CMK	Improvement to the crossing of Pentewan Gate Crossing off Childs Way as issue with safety	Redway Improvement	0.74	Short
131	Wolverton Station link	Wolverton	Link from existing Redway into Wolverton Station	Missing Link	0.74	Short
113	MKC to CMK	CMK	Creating a connection between railway station and shopping centre along Midsummer Blvd	Missing Link	0.73	Short
114	Silbury Boulevard	CMK	Creating a connection between MKC and Campbell Park along Silbury Blvd	Missing Link	0.73	Short
101	Whaddon Way	Bletchley	Upgrade of existing paths to Redway standard	Missing Link	0.72	Short
184	Lakes Estate E-W	Bletchley	New infrastructure connecting Lakes Estate East-West from Sir Herbert Leon Academy to Stoke Road	Missing Link	0.72	Short
220	Windsor Street	Wolverton	N-S link through Wolverton connecting end of existing Redway to Stratford Rd. Alternative route to 210	Missing Link	0.72	Short
174	Rickley Lane	Bletchley	New Redway or pathway upgrade along Rickley Lane between Whaddon Way and Buckingham Road, links to schools so could also be a School Street	Missing Link	0.71	Short
75	Stony Stratford2	Stony Stratford	Redway along the quiet back pass of Stony providing links across Queen Eleanor St to access the nature reserve	Missing Link	0.7	Short
182	Lakes Estate N-S	Bletchley	Highways committed scheme (2) pedestrian extensions through Lakes Estate	Missing Link	0.7	Short
96	V8 Marlborough Street4	Milton Keynes	Improvement of the standard of the Redway along V8 between H3 and H4 to Super Route standard (widening and segregation) and improvements in crossings of V8	Redway Improvement	0.69	Short
202	Bradwell Common - Conniburrow	Milton Keynes	E-W route through Bradwell Common/Conniburrow along the main road through the estates	Missing Link	0.69	Short
28	H5 Portway1	West MK	Fill in of missing Redway along Portway nr Grange Farm, upgrade of existing Redway to match quality of new link	Missing Link	0.68	Short
35	H7 Chaffron Way1	West MK	Provision of a Redway along H7 Childs Way between V2 and V4 on either side of the road (not both)	Missing Link, Redway Improvement	0.68	Short
183	Lamond Drive	Bletchley	New infrastructure along the southern part of Lakes Estate along the A4146 connecting two ends of Redways	Missing Link	0.68	Short
282	Willen Lake	Milton Keynes	Upgrade of existing pathways around Willen Lake and the addition of this Leisure route to the Redway network	Missing Link, Redway Improvement	0.68	Short
100	West MK	West MK	Provision through the new estate Whitehouse, part of Highways Committed Schemes	Missing Link, Local Scheme	0.67	Short

165	Ousedale School	Newport Pagnell	New infrastructure connecting existing Redway to Ousedale School in Newport Pagnell. Potential for School Street	Missing Link	0.67	Short
21	Fenny Stratford	Bletchley	Leisure route to the east of Bletchley connecting Waterhill Park to Caldecotte Lake	Missing Link, Redway Improvement	0.66	Short
153	Loughton	West MK	Creation of Redways through Loughton to provide cross neighbourhood connection, could also be Low Traffic Neighbourhoods or other cycling/walking provision	Missing Link	0.66	Short
112	Canal NCN	Milton Keynes	Improvements to the canal towpath along the section which forms part of the NCN	Redway Improvement	0.65	Short
180	Shenley Road	Bletchley	New Redway along Shenley Road connecting Standing Way to Whaddon Way	Missing Link	0.64	Short
190	Westfield Road	Bletchley	N-S connection through Water Eaton connecting it to Queensway	Missing Link	0.64	Short
39	H8 Standing Way1	West MK	Continuation of Redway along H8 on southern side of the road to create a more continuous route and provide access to Denbigh Hill	Missing Link, Redway Improvement	0.62	Short
171	South Road Newport	Newport Pagnell	Redway connection into Newport Pagnell High Street	Missing Link	0.62	Short
130	Wolverton Station access	Wolverton	Improvements to pedestrian and cyclist access at the train station	Missing Link, Local Scheme, Redway Improvement	0.6	Short
276	Waterhall Park	Bletchley	Connecting the park in Lakes Estate to the Canal as per Highways Committed Scheme 2	Missing Link	0.6	Short
284	Blue Lagoon to Newton Leys	Bletchley	Highways Committed Scheme between Newton Leys and Blue Lagoon along the Railway	Missing Link	0.6	Short
160	Poets Estate	Newport Pagnell	Redway through Poets estate providing connectivity for the estate to main road through Newport Pagnell	Missing Link	0.59	Short
278	Calverton Lane	West MK	From the highways committed scheme to support that new development	Missing Link	0.59	Short
136	MKC Access	CMK	Improvement to the cycling access to CMK station, potential for Redways and improved cycle parking	Missing Link, Local Scheme, Redway Improvement	0.56	Short
214	Wolverton Playing Field1	Wolverton	Upgrade of existing pathways around Wolverton Playing Fields to provide connectivity around them	Missing Link	0.55	Short
231	Severn Drive	Newport Pagnell	Missing link between Redway in Riverside Meadow and along Tickford Street	Missing Link	0.55	Short
218	Western Road	Wolverton	Wolverton E-W connection along Western Road, potential duplicate of Scheme 219 Aylesbury St	Missing Link	0.54	Short
264	Marsh End Road - HCS	Newport Pagnell	Highways committed scheme to improve provision along Marsh End Road, overlaps with Scheme 51	Missing Link	0.52	Short
162	Newport Pagnell High Street	Newport Pagnell	Improvement of provision for pedestrians and cyclists along Newport Pagnell high street	Missing Link, Local Scheme	0.51	Short
195	Glenwoods	Newport Pagnell	Joining end of Redway to Marsh End Road, short scheme	Missing Link	0.5	Short
234	Olney High Street	Olney	Cycling provision along Olney high street	Missing Link	0.5	Short
249	Yardley Road	Olney	Redway from Olney High Street out north-west connecting up to the Middle School	Missing Link	0.5	Short
261	Carrington Road	Newport Pagnell	Scheme within Green Park estate, supporting access to Ousedale and Green Park schools, potential to be LTN rather than full Redway	Missing Link	0.36	Short
289	Canal Railway to South	Bletchley	Canal towpath upgrade along section passing alongside Bletchley	Redway Improvement	0.81	Medium
252	South Bletchley Bypass	Bletchley	Use of old Railway and paths through parkland to provide a 'Southern bypass' of Bletchley for pedestrians/cyclists	Missing Link	0.76	Medium
209	Church Street	Wolverton	Remove - duplicate route of 107	Missing Link	0.75	Medium
27	H4 Danstead Way1	West MK	Improvements of side road crossings, to give priority on quiet side roads and more direct routes	Redway Improvement	0.74	Medium
58	Newport Road2	East MK	Join H8 to section of Redway along Newport Rd through Kingston Industrial estate. Potential to include bridge built	Missing Link, Redway Improvement, Local Scheme	0.72	Medium
94	V8 Marlborough Street2	Milton Keynes	Improvements to existing Redway to include widening/segregation and more directness at junctions, addition of Redway on NB side of V8 joining the existing section to H6	Missing Link, Redway Improvement	0.72	Medium
132	CMK to Campbell Park	CMK	Connection between the shopping centre and Campbell Park for cyclists	Missing Link	0.72	Medium

134	Wolverton Garage Link1	Wolverton	Remove - duplicate route of 107	Missing Link, Local Scheme	0.71	Medium
5	Bletchley to Bow Brickhill	Bletchley	Long distance strategic link between Central Bletchley and Bow Brickhill Village/Station	Missing Link	0.7	Medium
102	Whalley Drive	Bletchley	Introduction of cycle access along Whaddon Way and/or upgrade of paths to Redway standard	Missing Link	0.7	Medium
79	V11 Tongwell Street1	East MK	Improvements to the Redway running along V11 between H6 and H7 including resurfacing, crossings and upgrade to super route standard (segregation)	Redway Improvement	0.69	Medium
95	V8 Marlborough Street3	CMK	Upgrade of existing Redway to Super Route standard, recommend widening and segregating	Redway Improvement	0.69	Medium
212	Old Wolverton Road	Wolverton	Scheme along Old Wolverton Rd to the north of the town, often used by people to bypass Wolverton and head north, notably to Haversham School	Missing Link	0.69	Medium
225	McConnell Drive	Wolverton	N-S connection in Wolverton running along McConnell Drive parallel to the old railway line	Missing Link	0.69	Medium
291	V7 Saxon Street5	Milton Keynes	Join up Redway on V7 Saxon St to V8 Redway and improve standard of existing Redway to Super Route standard	Missing Link, Redway Improvement	0.69	Medium
68	Pineham	East MK	Connection around the Sewage Works to avoid the junction between V11 and H5 to access Portway/Coach Station. Also provides a link over the motorway to link in with the new proposed estate along London Road	Missing Link	0.68	Medium
103	Woburn Sands	Woburn Sands	Link in MK Redway in Old Farm Park to Woburn Sands using PROW and Bow Brickhill Rd	Missing Link, Local Scheme	0.68	Medium
210	Wolverton NS	Wolverton	Connection N-S between existing Redway and Old Stratford Rd joining near the Railway bridge	Local Scheme	0.68	Medium
285	Canal Wolverton to Newport Road	Wolverton	Alternative route to 220	Redway Improvement	0.67	Medium
213	Trinity Road	Wolverton	Upgrade of canal towpath along between Wolverton Station and its intersection with Newport Rd	Missing Link	0.65	Medium
90	V7 Saxon Street1	Milton Keynes	Cut through between Old Wolverton Rd and Stratford Rd to avoid busy roundabout, also links to a pathway connecting Slated Row School	Missing Link	0.64	Medium
126	Midsummer Boulevard Crossing	CMK	Joining up sections of Redway along Saxon St between Chaffron and Standing Way, increase standard to Super Route (widening and segregation)	Missing Link	0.64	Medium
175	Shenley Drive	Bletchley	Improvement/clarity of priority at Redway crossings (Redway intersecting with each other removed from the road)	Redway Improvement	0.64	Medium
199	Coffee Hall NS1	Milton Keynes	Redway along Shenley Road connecting Buckingham Road and Whaddon Way	Missing Link	0.64	Medium
219	Aylesbury Street	Wolverton	N-S link through Coffee Hall connecting up small sections of existing Redway, improve existing path to Redway standard	Missing Link, Local Scheme	0.64	Medium
288	Canal H8 to Railway	Milton Keynes	E-W route through Wolverton connecting Radcliffe and Wyvern Schools towards the town centre and Bushfield School, potential for LTN style scheme as Redway may be hard to retrofit	Missing Link	0.64	Medium
40	H8 Standing Way2	Milton Keynes	Upgrade of canal towpath between H8 and the Railway crossing	Redway Improvement	0.64	Medium
89	V6 Grafton Street3	Milton Keynes	Provide more direct Redway route between existing Redway and Marina Roundabout past the hospital	Missing Link, Redway Improvement	0.62	Medium
277	Lakes Estate E	Bletchley	Increase crossing points along V6 Redway to allow increased access from Oldbrook estate to the pathway, upgrade standard as proposed Super Route	Missing Link, Redway Improvement	0.62	Medium
128	Netherfield	Milton Keynes	Upgrade of pathway between Phelps Road and Mill Road parallel to the Canal	Missing Link	0.62	Medium
196	Coffee Hall EW1	Milton Keynes	Connect existing N-S Redway through Netherfield to H8 and ensure good standard of existing Redway	Missing Link, Local Scheme	0.61	Medium
			E-W link through Coffee Hall connecting up small sections of existing Redway, improve existing Redways in place	Missing Link, Redway Improvement	0.61	Medium

200	Beanhill	Milton Keynes	E-W connection through Beanhill connecting spigots of Redway into the estate - potential for LTN type scheme	Missing Link, Local Scheme	0.61	Medium
275	Lakes Estate EW	Bletchley	EW connection between the Canal and pathway near Drayton Park School	Missing Link	0.61	Medium
19	Cranfield Road	Woburn Sands	Provide cycle provision (Redway) along Cranfield Rd between Woburn Sands and Eagle Farm	Missing Link, Local Scheme	0.6	Medium
31	H5 Portway4	East MK	Redway connection between V11 and Portway, missing link along this section	Missing Link	0.6	Medium
70	Rooksley	Milton Keynes	Connection through the Rooksley retail estate to provide a more direct route to CMK and also to connect the employment zones in Rooksley	Missing Link, Local Scheme	0.6	Medium
80	V11 Tongwell Street2	Milton Keynes	Joining up sections of Redway along Tongwell St to create more direct/logical route than currently exists through the estate	Local Scheme	0.6	Medium
87	V6 Grafton Street1	Milton Keynes	Improving connections across H2 between the railway and V6, improving the Redway junctions to make route more direction, potential to upgrade to Super Route	Missing Link, Redway Improvement	0.6	Medium
176	Tattenhoe Lane	Bletchley	Upgrade of Redway along Tattenhoe Lane between Standing Way and Sports Ground car park and new Redway to connect it to Whaddon Way	Missing Link, Redway Improvement	0.6	Medium
204	Downs Barn EW	Milton Keynes	E-W connection through Downs Barn estate	Missing Link	0.6	Medium
211	Radcliffe School	Wolverton	Provision around Radcliffe School, potentially a school street	Local Scheme	0.6	Medium
34	H6 Childs Way2	East MK	Improvements to existing Redway to include widening/segregation, increased crossing points with crossing at Northfield Roundabout and Fox Milne Roundabout	Missing Link, Redway Improvement	0.59	Medium
99	Wavendon	Wavendon	Link in MK Redway in Wavendon Gate to Wavendon along Walton Rd	Missing Link, Local Scheme	0.59	Medium
123	Hospital Junction	Milton Keynes	Improvement to safety and connectivity at the Redway crossing at the NE corner of the Hospital	Redway Improvement	0.59	Medium
150	Crispin Road	Milton Keynes	Improved connection between Railway Walk and V7 along Crispin Road, upgrade existing pathways to Redway standard and provide link into Pepper Hill School	Missing Link	0.59	Medium
151	Conniburrow	Milton Keynes	N-S connection through Conniburrow linking H4 to H5	Missing Link	0.59	Medium
152	Bradwell Common	Milton Keynes	N-S connection through Bradwell Common linking H4 to H5	Missing Link	0.59	Medium
36	H7 Chaffron Way2	Milton Keynes	Joining up sections of Redway along H7	Missing Link, Redway Improvement	0.58	Medium
47	Kents Hill	Milton Keynes	Upgrade existing pathway through Kents Hill Park to Redway standard and provide crossings of V10 to link in with that Redway	Missing Link, Redway Improvement	0.58	Medium
85	V3 Fulmer Street4	Bletchley	Redway along Fulmer St between H7 and H8 and an upgrade of existing route to proposed Super Route	Missing Link, Redway Improvement	0.58	Medium
93	V8 Marlborough Street1	Milton Keynes	Improve directness of route along V8 between H7 and H8, making junctions more direct and increasing the number of Redway crossings of V8. Upgrade to Super Route standard (widening/segregation)	Missing Link, Redway Improvement	0.58	Medium
178	Cornwall Grove	Bletchley	Small missing link connection between Whaddon Way and Redway on Cornwall Grove	Missing Link	0.58	Medium
230	Riverside Meadow	Newport Pagnell	Upgrade of existing leisure path through Riverside Meadow to a higher/Redway standard and include in mapping	Missing Link	0.58	Medium
84	V3 Fulmer Street3	West MK	Creation of Redway along V4 between H6 and H7, proposed Super Route	Missing Link	0.57	Medium
159	Little Linford Lane	Newport Pagnell	Cycle/pedestrian access improvement to the motorway service employment area	Missing Link	0.57	Medium
201	Conniburrow Redway Gap	Milton Keynes	Join up missing link within Conniburrow between 2 sections of Redway along Carlina Place	Missing Link	0.57	Medium
222	Wolverton Garage Link2	Wolverton	Cut through between Old Wolverton Rd and Stratford Rd to avoid busy roundabout, also links to a pathway connecting Slated Row School	Missing Link	0.57	Medium
228	Wolverton Play Space Cut Through	Wolverton	Pathway provision between St Georges Way and McConnell Drive Redway through play space in Wolverton, using existing pathways	Missing Link	0.57	Medium
270	Eagle Farm	Wavendon	Highways committed scheme as part of the Eagle Farm development	Missing Link	0.57	Medium

38	H7 Chaffron Way4	East MK	New Redway between Monkston Roundabout and Mandeville Drive Roundabout	Missing Link	0.56	Medium
223	The Agora	Wolverton	Pathway around the Agora to provide improved connection and public realm in that area	Missing Link	0.56	Medium
25	H4 Monks Way2	Newport Pagnell	Joining up section of Redway at end of H3 over the motorway to the next roundabout to create a connection into Newport	Missing Link, Redway Improvement	0.55	Medium
111	H8 Standing Way4	East MK	Redway missing from Kingston Roundabout on H8 east	Missing Link, Redway Improvement	0.55	Medium
203	Downs Barn NS	Milton Keynes	N-S connection through Downs Barn estate	Missing Link	0.55	Medium
227	Radcliffe Street	Wolverton	Connection to the Agora along Radcliffe St in Wolverton	Missing Link	0.55	Medium
50	Lower End Road	Wavendon	Improvement of perceived safety along Lower End Road at crossings and to improve general pathway provision along route	Missing Link, Redway Improvement, Local Scheme	0.54	Medium
51	Marsh End Road	Newport Pagnell	Improvement of provision along Marsh End Road, preferably Redway but could also be speed restrictions or on-road cycle lane	Missing Link, Local Scheme	0.54	Medium
154	Knowhill Railway Crossing	West MK	Improvements to Railway crossing on H7 to link in better with existing network	Missing Link	0.54	Medium
217	Southern Way	Wolverton	Connection E-W at southern end of Wolverton along Southern Way between existing parts of Redway	Missing Link	0.54	Medium
226	Wolverton Garage Link3	Wolverton	N-S connection in Wolverton, alternate route to Schemes 227/157 connecting to the Agora	Missing Link	0.54	Medium
263	Willen Road North	Newport Pagnell	Highways committed scheme to support large amount of development going into Newport Pagnell, connecting Marsh End Road to River crossing and section of Redway	Missing Link	0.54	Medium
78	V10 Brickhill Street3	Newport Pagnell	Upgrade of Redway to Super Route standard e.g. widening and segregation	Redway Improvement	0.53	Medium
83	V3 Fulmer Street2	West MK	Creation of Redway along V4 between H5 and H6, proposed Super Route	Redway Improvement, Missing Link	0.53	Medium
179	Tattenhoe Lane Part 2	Bletchley	Redway along Tattenhoe Lane connecting Buckingham Road and Whaddon Way	Missing Link	0.53	Medium
140	Stadium	Milton Keynes	Improved provision around MK Stadium including step free access, pedestrian signage, bike parking, improved pathway connections into the area from the Redways surrounding it	Missing Link, Local Scheme	0.52	Medium
148	Ashland	Milton Keynes	New connection through Ashland connecting the Redway across H9 to pathways in Ashland Lakes	Missing Link	0.52	Medium
61	Oakgrove	Milton Keynes	Connection through central Oakgrove which connects Babbage Gate to Ada Walk (both of which have Redways on), providing more direct link into the estate's centre and school	Missing Link	0.51	Medium
81	V2 Tattenhoe Street1	West MK	Improvements to Redway through Grange Farm, potential to make a more direct link	Missing Link, Redway Improvement	0.51	Medium
163	Tongwell Lane	Newport Pagnell	Redway connection along Tongwell Lane to connect Newport Pagnell to MK Redway on H3 whilst avoiding A422	Missing Link	0.51	Medium
240	Aspreys	Olney	N-S link to the west of Olney along Aspreys, linking the estate and Ousedale School	Missing Link	0.51	Medium
269	Lower End Road - HCS	Wavendon	Highways committed scheme along Lower End Rd to support provision at the new estate Forms part of Scheme 50	Missing Link	0.51	Medium
287	Canal Great Linford Park	Milton Keynes	Canal towpath upgrade along section through Great Linford Park	Redway Improvement	0.51	Medium
30	H5 Portway3	Milton Keynes	Improved crossing provision of H5 parallel to V9	Missing Link, Redway Improvement	0.5	Medium
82	V3 Fulmer Street1	West MK	Creation of Redway along V4 between H4 and H5, proposed Super Route	Missing Link	0.5	Medium
149	Bleak Hall	Milton Keynes	Redway to provide crossing across Railway (and potentially A5) near Bleak Hall	Missing Link	0.5	Medium
158	Blakelands Estate M1 Crossing	Newport Pagnell	Improved crossing of the motorway nr Ousedale School through the industrial estate	Missing Link	0.5	Medium
166	Broad Street	Newport Pagnell	Extending Redway in Newport along Broad St into residential area, could also be LTN type intervention	Missing Link	0.5	Medium
177	Far Bletchley	Bletchley	Cross-estate connection in Far Bletchley from Tattenhoe Lane to Shenley Road, upgrade of existing paths to Redway	Missing Link	0.5	Medium

224	Wolverton Playing Field2	Wolverton	Improved connection into the Wolverton Playing Fields Redway from Woburn Ave/Furze Way	Missing Link	0.5	Medium
32	H5 Portway5	East MK	Redway or cycle lane added to the motorway crossing to help link up London Road to MK Redway network	Missing Link	0.49	Medium
232	Park Avenue	Newport Pagnell	Connecting Redway to Wolverton Road in Newport, short scheme	Missing Link	0.49	Medium
257	Will Road3	Newport Pagnell	Motorway crossing from existing Redway at Tongwell Roundabout towards Willen Rd	Missing Link	0.48	Medium
77	V10 Brickhill Street2	Milton Keynes	Provision of direct Redway along V10 near Willen Park, linking into existing Redways	Missing Link, Redway Improvement	0.48	Medium
141	Heelands Junction	Milton Keynes	Unsafe Redway junction to be improved, similar to Scheme 125 Pentewan Gate	Redway Improvement	0.48	Medium
208	Stantonbury	Milton Keynes	Upgrade pathway through Stantonbury to Redway to create complete link between existing Redway sections	Missing Link	0.48	Medium
216	Furze Way	Wolverton	Redway connection along Furze Way in Wolverton	Missing Link	0.48	Medium
104	Woburn Sands to Bow Brickhill	Woburn Sands	Creation of cycling provision between Woburn Sands and Bow Brickhill, either Redway or designated cycle path	Missing Link	0.47	Medium
143	Kingston Cycle Parking	East MK	Introduction of cycle parking throughout Kingston estate	Local Scheme	0.47	Medium
207	Heelands	Milton Keynes	Joining up sections of bitty Redway in Heelands along Whetstone Close	Missing Link	0.47	Medium
256	Willen Road2	Newport Pagnell	Redway connection along Willen Rd between Newport Pagnell and Motorway junction, connecting the towns and supporting future development in that area	Missing Link	0.47	Medium
235	Spring Lane	Olney	E-W through Olney along Spring Lane, connects to Infant Academy	Missing Link	0.45	Medium
237	Long Lane	Olney	E-W through Olney along Long Lane	Missing Link	0.45	Medium
167	Green Park Drive	Newport Pagnell	Alternative Redway route through Green Park to that already provided, this lends itself to the potential for an LTN or similar scheme instead of a new Redway	Missing Link	0.44	Medium
242	Newton Street	Olney	Back route from Olney high-street to Lavendon Road, alternative route to 250/65	Missing Link	0.44	Medium
247	East Street	Olney	Back route to the east of the high street through Olney, linking up with the back of businesses and car parking	Missing Link	0.44	Medium
250	Wellingborough Road	Olney	Missing link along Wellingborough Rd north-east out of Olney	Missing Link	0.44	Medium
286	Canal Oakridge Park	Milton Keynes	Canal towpath upgrade along section around Oakridge Park	Redway Improvement	0.44	Medium

215	V5 Great Monks Street	Wolverton	Missing link along V5 nr Wolverton between 2 sections of existing Redway	Missing Link	0.65	Long
109	Wolverton Road Newport Pagnell	Newport Pagnell	Provision of Redway along Wolverton Road to connect Newport Pagnell to existing Redway sections and beyond	Missing Link, Redway Improvement	0.64	Long

135	Wolverton Canal/Railway crossing	Wolverton	Additional crossing of the Railway on the canal, upgrade it and the access to it to provide wider access	Missing Link	0.64	Long
45	Hanslope to Wolverton	Hanslope	New cycle link between Hanslope and Wolverton along Haversham Road and through Haversham. Wolverton end of this would be used for access to Haversham School	Missing Link	0.63	Long
66	Olney to MK	Olney	Cycling provision between Olney and MK along the A509	Missing Link	0.63	Long
147	Ouzel Valley Park	Milton Keynes	N-S connection along the western side of Ouzel Valley Park connecting up sections of Redway	Missing Link	0.63	Long
205	Springfield EW	Milton Keynes	Provision of E-W connection through Springfield along Springfield Boulevard, upgrade existing pathways to Redway standard and give priority over minor road crossings	Missing Link	0.62	Long
97	V9 Overgate1	Milton Keynes	More direct connection along V9 Overstreet by using the western side of the road and improving crossing points	Missing Link	0.61	Long
293	Canal North to Wolverton	Wolverton	Upgrade of Canal towpath from the MK boundary to Wolverton Station	Redway Improvement	0.61	Long
156	Wolverton Canal Link	Wolverton	Link to the canal in Wolverton through the Railway Works connecting Stratford Rd to the Canal	Missing Link	0.6	Long
294	Wolverton Road Newport Pagnell	Newport Pagnell	Redway along Wolverton Road within Newport Pagnell connecting scheme 109 to the high street	Missing Link	0.6	Long
7	Bletchley to Little Brickhill	Bletchley	Long distance strategic link between Bletchley (coming in at Fenny Stratford) and Little Brickhill. Already some stretches of Redway along this link	Missing Link, Redway Improvement, Local Scheme	0.57	Long
60	Newton Longville	Bletchley	Connection between Newton Longville and Buckingham Road along Newton Road	Missing Link	0.57	Long
206	Springfield NS	Milton Keynes	N-S connection through Springfield connecting to other Redways and linking to Orchard Academy	Missing Link	0.57	Long
268	London Road - HCS	Newport Pagnell	Redway along London Road to connect Newport Pagnell to proposed development site, joins up with scheme 49 to link into MK	Missing Link	0.57	Long
295	Stonepit Field Links	Milton Keynes	Upgrade of pathways through Stonepit Field to Redway and improve linkages into existing Redway and nearby roads	Missing Link, Redway Improvement	0.57	Long
72	Simpson	Milton Keynes	E-W route through Simpson, connecting V8 to Woughton Park	Missing Link	0.56	Long
137	Deanshanger	Stony Stratford	Cross-country link between Stony and Deanshanger, propose segregated Redway so can be used for commuters and leisure alike	Missing Link	0.56	Long
52	Milton Keynes Village	East MK	Connecting up sections of Redway through Milton Keynes Village and improving quality of existing Redway so consistent journey along route	Missing Link, Redway Improvement	0.54	Long
221	Anson Road	Wolverton	N-S connection in Wolverton along Anson Rd	Missing Link	0.54	Long
281	Newton Leys New Estate	Bletchley	Abstract link across future proposed nature reserve over current landfill connecting Far Bletchley to Newton Leys	Missing Link	0.54	Long
23	Great Linford Park	Milton Keynes	Improved pathway provision across Great Linford Park includes connecting paths into the estate roads and upgrading these paths to Redway standard or improving signage/mapping provision to increase their usage	Redway Improvement	0.5	Long
280	A4146	Bletchley	Redway along A4146 connecting Lakes Estate (South Bletchley) to Eaton Leys and A5 roundabout	Missing Link	0.5	Long
12	Bow Brickhill Station	Bow Brickhill	Connection between Bow Brickhill Station and Browns Wood residential estate	Missing Link, Redway Improvement	0.49	Long
65	Olney to Lavendon	Olney	Redway between Olney and Lavendon - propose Redway rather than cycle only as short enough that could be used for leisure walking	Missing Link	0.49	Long
271	V10 Brickhill Road	Bow Brickhill	Connection between Bow Brickhill Station and A5 roundabout, would get most benefit if combined with schemes 7, 280 and/or 76	Missing Link	0.49	Long
73	Stoke Goldinton to Newport Pagnell	Newport Pagnell	Long-distance cross-country route between Stoke Goldington and Newport Pagnell	Missing Link	0.48	Long
138	Winslow	South-West MK	Long distance strategic link out of MK	Missing Link	0.48	Long

			(Bletchley) to Winslow, majority lies outside MK boundary			
49	London Road	East MK	Cycle provision along London Rd connecting Newport Pagnell to MK, to form part of a connection as part of development plans for that area	Missing Link	0.47	Long
63	Olney North	Olney	Connection north out of Olney towards to boundary, cycle only, long distance and strategic	Missing Link	0.47	Long
67	Olney to Newport Pagnell	Newport Pagnell	Long-distance cross-country route between Olney and Newport Pagnell	Missing Link	0.47	Long
267	North Crawley Road	Newport Pagnell	Highways committed scheme of a new Redway to support the new development along North Crawley Rd	Missing Link	0.47	Long
44	Hanslope to Olney	Olney	Long-distance cross-country link between Hanslope and Olney	Missing Link	0.46	Long
110	Woughton on the Green	Milton Keynes	Connect sections of Redway through Woughton on the Green to give a more direct N-S route	Missing Link	0.46	Long
144	Old Stratford	Stony Stratford	Link into Old Stratford from Stony high street	Missing Link	0.45	Long
236	West Street	Olney	N-S connection through Olney to bypass the high street from the residential side	Missing Link	0.44	Long
43	Hanslope North	Hanslope	Cycle link north out of Hanslope towards Northampton	Missing Link	0.43	Long
3	Astwood to Newport Pagnell	Astwood	Long distance strategic link between Astwood and Newport Pagnell through Chicheley along A422	Missing Link	0.42	Long
233	Bury Field	Newport Pagnell	Leisure route connection along Bury Field from Lakes Lane	Missing Link	0.41	Long
4	Astwood to Olney	Astwood	Connection between Astwood and Olney along A422 and A509	Missing Link	0.39	Long
2	Astwood to MK	Astwood	Cross country route between Astwood and eastern MK through North Crawley	Missing Link	0.38	Long
272	Eaton Leys	Bletchley	Improved active access to Eaton Leys estate	Missing Link	0.36	Long
6	Bletchley to Leighton Buzzard	Bletchley	Strategic long-distance link from South Bletchley to Leighton Buzzard, lies outside of MK Council boundary	Missing Link	0.35	Long
13	Bow Brickhill to Little Brickhill	Bow Brickhill	Cross country connection between Bow Brickhill and Little Brickhill	Missing Link	0.35	Long
64	Olney to Bedford	Olney	Long distance strategic connection eastwards from Olney towards Bedford through some smaller villages	Missing Link	0.34	Long
106	Woburn Sands to Woburn	Woburn Sands	Creation of link between Woburn Sands and Woburn, majority lies outside of MK boundary	Missing Link	0.32	Long
11	Bow Brickhill	Bow Brickhill	Leisure route connection from Bow Brickhill out east to the MK boundary and New Wavendon Heath	Local Scheme	0.31	Long
246	Lime Street	Olney	Bypass of Olney high street junction to Weston Rd along Line Street	Missing Link	0.3	Long
105	Woburn Sands to Little Brickhill	Woburn Sands	Cycling provision between Woburn Sands and Little Brickhill, long-distance strategic link	Missing Link	0.25	Long
20	Emberton	Emberton	Improved provision through Emberton, could be new infrastructure route or could be traffic calming etc. Measures	Local Scheme	0.19	Long
155	Tathall End	Hanslope	New link between Hanslope Park and Tathall End	Missing Link	0.19	Long
1	Astwood to Bedford	Astwood	Connection east towards Bedford, majority of which lies outside of MK council boundary	Missing Link	0.18	Long
CE1	Castlethorpe to Hanslope Park	Castlethorpe	Cycling provision between Castlethorpe to Hanslope Park, long-distance strategic link	Missing Link	TBC	TBC
CE2	Stratford Road Junction	Wolverton	Improvement to the crossing of Stratford Road, Wolverton Road and Great Monks Street as issue with safety	Redway Improvement	TBC	TBC
CE3	Watling Street to Weavers Hill	Wolverton	Missing Link between Fullers Slate, Weavers Hill and Watling Street. Increasing accessibility of Fullers Slate to the south	Missing Link	TBC	TBC
