Wolverton and Greenleys Town Council

Following the recent Planning Committee meeting held please see below the comments on behalf of WGTC

“The Committee **RESOLVED** not to comment directly on the Neighbourhood Plan, but to note the following observations: that the proposed housing developments would have the potential to increase the number of commuters using the Railway Station and its facilities at Wolverton and we would ask for this to be taken into account in any future discussion with the regards to any development of the Railway Station and its parking.”
