The post is ideally suited to an energetic, enthusiastic, and passionate design technology teacher who wants to work with talented young people within a fully supportive team. Possessing a secondary creative subject would also be advantageous.

The successful candidate will:

- Have experience of teaching key stage 3 and 4, with scope to develop into teaching key stage 5.
- Have secure subject knowledge and knowledge of exam specifications
- Have a love of their subject and be involved in extracurricular activities
- Support the design technology team in developing schemes of work
- Have high regard for their learning environment and resources
- Be passionate about their own professional development.

What we can offer you:

- A friendly and supportive working environment which is very well-resourced and supportive of professional development.
- To be part of a design technology department which strives for the best outcomes and experiences for its pupils, through all ages and abilities.
- Work with an award-winning, inspiring subject leader.
- The opportunity to teach across all Key Stages
- Enthusiastic, hard-working students who are grateful for the education and opportunities they receive.
- A commitment to your professional development with a 5-year career flight plan
