TEACHERS REQUIRED

September 2023

Pay Range M1-M6

(£28,000 - £38,051)

We are looking to recruit two teachers and have both a permanent contract and a one-year fixed term contract (01.09.2023-31.08.2024) available.

Wyvern is a large infant school and nursery situated in the heart of Wolverton. Our school is set in historical buildings with an established sense of history. We have a bright and enthusiastic bunch of children and a large, supportive staff team who work closely together.

Here are some reasons why we think you should come to see what we could do for you:

- We employ specialist teachers (Music, and PE) to help deliver the curriculum
- Large teaching teams with joint release for planning
- Working as a team for shared planning and reducing workload – not planning every subject yourself
- Dedicated staff meetings to give teachers time to manage their workload
- No pointless meetings (just time dedicated for tasks we know we have to do) and even time back in those extra busy periods
- We have a dedicated team of experienced support staff – to help support the children in the classroom

Come and meet us, and the team at Wyvern and you'll see how driven we are to succeed and the opportunities that we can offer. We look forward to meeting you!

The recruitment process for these roles will close when the positions have been filled

Interviews will be scheduled as applications are received
