## Introduction

Welcome to another year of education with Community Learning MK. Whether you want to learn something new, improve your skills or just take some time out for yourself we're looking forward to welcoming you into our classes.

We know that things are tough financially for many people right now, so this year we have introduced a new incentive. If you have never studied with CLMK Adult Education before we are offering you a 50% discount on your first Art and Craft, Language, Sociology or IT course, so make sure to let all your friends know.

If you are unemployed and claiming benefits you may be entitled to a reduced fee on our courses. This year we are also reintroducing the concessionary option for anyone aged over 65. We have also made our Lipreading and British Sign Language courses completely FREE this year to ensure that finances are not a barrier to learning these vital skills.

Classes with an asterisk (\*) next to the title will be running again in the new year and are also available to book now, contact us for more information or to enrol.
