

# **STATEMENT OF REASONS**

---

(A brief statement of the general nature and effect of the Order)

## **MILTON KEYNES CITY COUNCIL (CENTRAL MILTON KEYNES) (RESIDENTS PERMIT PARKING PLACES) CONSOLIDATION ORDER 2023**

Milton Keynes City Council proposes to make the above traffic regulation Order under Sections 1(1), 2(1) and (2), 4(1), 32(1), 35, 35A and 53 of the Road Traffic Regulation Act 1984.

The general effect of the Order, which will replace the current existing residents permit parking places traffic regulation Orders in Central Milton Keynes (as shown in schedule 1 below), will be to:

- maintain the existing controls of the Central Milton Keynes (CMK) Permit scheme.
- introduce the use of the Council's virtual parking permit system.
- update the eligibility to align with the Councils planning policy on future residential developments in Central Milton Keynes.

The Council has introduced a virtual parking management and enforcement system throughout the Borough.

The current CMK residents permit parking Orders were brought into operation in 2005 and 2013, before the virtual permit system was introduced, and now requires to be updated to include a provision for the issue of virtual parking permits and the management of parking.

In 2023 the Council amended its planning policy in respect of future car free residential developments in CMK.

In summary:

- a) All resident and resident visitor permits will be virtual (no paper permit) and once approved will be uploaded onto the parking system.
- b) Resident and resident visitor permits will only be available for purchase by the current registered addresses in Central Milton Keynes (as shown in Schedule 2 below).

The original traffic regulation orders of 2005 and 2013 have been amended several times and it was decided to replace them with a completely new order and revoke all previous Orders.

The Council will continue to monitor the way in which highway facilities are used and address any issues that come to its notice and following meaningful consultation with all stakeholders do what it considers necessary to facilitate the expeditious, convenient and safe movement of vehicular and pedestrian traffic.

The proposed changes come as a result of the continuous improvements being made to the parking arrangements in Milton Keynes City and will ensure equality for all users, encourage modal shift to more sustainable modes of transport, increase investment in transport from parking income, maintain economic vitality and reduce carbon emissions, all in line with the aims and objectives of The Borough of Milton Keynes Parking Strategy.

**SCHEDULE 1:**

- 1) The Council of the Borough of Milton Keynes (Central Milton Keynes) (On-Street Residents' and Car Share Permit Parking Places) Order 2005
- 2) The Council of the Borough of Milton Keynes (Central Milton Keynes) (On-Street Residents' Permit Parking Places) Order 2005
- 3) The Council of the Borough of Milton Keynes (Central Milton Keynes) (On-Street Residents' Permit Parking Places) Order 2013
