Exclusive Right of Burial (EROB) Fees

Milton Keynes Council is a Burial Authority; we are the owners of cemetery land. We may grant to any person the Exclusive Right of Burial (EROB) in a grave or urn plot for a set period of years.

The EROB is currently granted for a maximum term of 30 years.

The EROB is the legal right for a person or persons named on the document to determine who shall be buried in the grave/urn plot. You are not purchasing the grave/urn plot freehold; it is more like purchasing a lease. It also gives the named owner(s) the right to apply for a formal memorial e.g., a tablet or headstone (Please Note: Additional Fees & Terms & Conditions are applicable).
