- Year 2 Class Teacher who joined the team from a larger setting.

“Glastonbury Thorn is an outstanding school where pupils develop a genuine love of learning and understanding that they can achieve anything if they always do their best.” (Ofsted 2015)

At Glastonbury Thorn School we believe that children are at the heart of everything we do. As a school we work hard developing each individual child's character, layering them with as many experiences as we can in order for them to grow emotionally, socially, spiritually and academically.

We are growing aspirational citizens of the future!

Essentials for this position:

- A secure knowledge of safeguarding and child protection procedures
- To have a passion for learning - showing your love of learning enthuses the children.
- To support the emotional, behavioural and pastoral needs of all pupils in our care. Be patient, as every child is unique.
- To go home knowing you are valued and have a key impact on the learning of the children in your care.
- Show a determination to improve your skills through leading your own journey – **'I can't do it...YET!'**
- To promote the school's values and be a positive role model.
- Work as part of a team - teamwork makes the dream work!
- Demonstrate excellent subject and curriculum knowledge and a passion for subject leadership.

Are you ready to become part of the GTS family?

- You must have a warm and smiling face that makes all children feel special and loved
- We encourage curiosity so the ability to answer more than one question at the same time is a must
- You have to be able to laugh at jokes that don't necessarily make sense or that aren't funny
- You must have a little bit of quirkiness and be able to turn into any character a child wishes you to become
- The ability to sing in tune is not necessary; the ability to sing out of tune in front of a crowd is essential
- You must be prepared to get 'stuck in' and have lots of fun every day
- You must always be ready for whatever the day throws at you – impromptu learning at its best!
- Finally you must be prepared to feel important, special and loved by many young children and their families

There is quite simply no other job quite like this one!
