The positive impact you can have on a young person's life is likely to be the reason you became an educator. At Slated Row School, that impact will be greater than you could have imagined. If you share the ethos of 'Hope, Dignity and Respect' to create the best possible outcomes for our pupils, then we are the school for you.

Slated Row School is an all age (Reception to Year 14) special school for pupils with complex learning difficulties, operating across 2 sites in Milton Keynes. With three positions open, the successful applicant will be based at either the Wolverton or Kents Hill campus. This is a great opportunity to join a hardworking, caring, friendly and committed team in an outstanding school (*Ofsted Sept 2005, Dec 2008, Nov 2013 & May 2018*).

Key to the role will be learning what engages each pupil, how they learn and how they are motivated, channelling these factors into how you teach each subject, so that every pupil gets the most out of every day. You will inspire your pupils to enjoy a range of subjects, bringing each lesson to life, engaging them in a love of learning.

We are looking for an outstanding practitioner, who is dedicated to the welfare, safeguarding and achievement of every child; who wants to make a difference and knows the pathway that will allow pupils to do so. The successful candidate would want to be part of school decisions, working successfully as a whole school team to best meet the needs of each child.

The benefits of working at our school are that every day brings a sense of achievement and progress, as you work alongside colleagues who are committed and enjoy working collaboratively. You will be part of a team where skills, knowledge and enthusiasm is recognised and appreciated.

If you have not worked in SEN before, but are enthusiastic and motivated to make the move, we will give you the additional training and support you require.

If you would like to join an outstanding, enthusiastic, friendly and hardworking team then we look forward to receiving your application

Visits to the school are encouraged. Slated Row School is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment. The successful applicant will require an enhanced DBS check. We are an equal opportunities employer.
