

CLASS TEACHER ECT – SEPTEMBER 2024

We are passionate about ensuring our Early Careers Teachers receive an excellent induction, providing the tools and resources to become an exceptional teacher. We have dedicated ECT mentors, training, development, and cross-Trust events to support you as you start on this exciting journey.

We have opportunities across the primary phase including Early Years in Pineham Barns, Buckton Fields, Parklands Primary and Holne Chase in Milton Keynes. Potential candidates are warmly welcome to visit our schools to hear all about this exciting opportunity, to meet our staff team and see how our schools bring 'Fun, Creativity and Achievement' to life. Potential candidates are then able to apply directly to one of our schools for the shortlisting process.

About Holne Chase Primary School:

Holne Chase is an inclusive, aspirational, improving school; with a new bespoke curriculum reflecting the needs of the local Bletchley community. We nurture aspiration, imagination, fun and creativity, alongside academic achievement.

The school joined the award-winning Preston Hedges Trust in December 2020 and the school has since been transformed, with a new leadership team, closer working partnership with parents and the community, and a cash injection of £350,000 to develop creative, technology-led learning spaces.

Holne Chase was graded 'good' during an Ofsted inspection in November 2023. As part of the inspection we were graded in five areas and the grading was consistently 'good' in all.

- Quality of Education
- Attitudes and Behaviours
- Personal Development
- Early Years
- Leadership & Management

About the Role:

Your role will be to ensure that the children you work with are happy, safe, and engaged with creative and innovative learning opportunities. You will support and enable them to reach their full potential socially, emotionally, physically and academically, building confident and resilient young people.

The successful candidates will be excited to master and implement our unique curriculum, to understand our approach to learning, teaching and pedagogy and to work collaboratively with colleagues who are passionate about providing all our children with the best learning experiences possible.

At the heart of our success in delivering the region's highest standards of education is the Trust-wide commitment to organisational values – One Team, Ambition, Drive and Excellence. People are truly at the heart of all that we do, operating as one team across all areas of the Trust, we have a collective passion to make all our schools excellent.

Our Approach:

Candidates are warmly welcomed to book an individual tour with our school by contacting: Holne Chase Primary School – (01908) 373640

About the Trust:

Preston Hedges Trust offers the absolute best opportunities to all our children in each of our schools. Our highly skilled, energetic, and creative teaching staff make sure we constantly drive forward standards and deliver continuous improvement across all our schools – regardless of where they are on their individual journeys. In 2023, the Trust collected two prestigious national education awards – including being named the country's best Academy Trust – recognising our exceptional work in outstanding, good, new, and improving schools. We were awarded Best Small Trust and the blue ribband Best Multi Academy Trust awards at the Multi Academy Trust Association Awards in London in March 2023.

At the heart of our success in delivering the region's highest standards of education is the Trust-wide commitment to organisational values – One Team, Ambition, Drive and Excellence. People are truly at the heart of all that we do, operating as one team across all areas of the Trust, we have a collective passion to make all our schools excellent.

What we can offer:

- A comprehensive induction programme at both Trust and school levels
- An opportunity to learn from others at schools rated Good or Outstanding by Ofsted
- A broad range of continuous professional development at both Trust and school levels, including access to the National College online training platform
- Opportunities to progress your career through increased responsibilities or specialism, enabling you to make a difference to children beyond your immediate class, year group or school
- An environment that places wellbeing at the heart of everything we do, with staff having access to a comprehensive wellbeing package including the Schools Advisory Service, which offers counselling, GP helpline, mindfulness, nurse support, physiotherapy and more.
- Access to the Teachers' Pension Scheme
