

PUBLIC NOTICE

MILTON KEYNES CITY COUNCIL (TATTENHOE LANE (PART), BLETCHLEY) (TEMPORARY CLOSURE) ORDER 2024

NOTICE IS HEREBY GIVEN that Milton Keynes City Council has on 26th March 2024 made the above Order under Section 14(1) of the Road Traffic Regulation Act 1984, the effect of which will be to temporarily prohibit vehicles and pedestrians from entering, waiting or proceeding along the following part of road to allow Direct Mole to undertake Gas Mains replacement works:

5th April - 22nd April 2024

(24 Hours)

Tattenhoe Lane, Bletchley – from its junction with Lovatt Drive to its junction with Hunstanton Way.

Whilst the above closure is in place the alternative route will be via Whaddon Way, Buckingham Road and Standing Way (and vice versa).

The Council is satisfied that a temporary closure Order is necessary to enable works to be carried out on the highway. The temporary Order will come into effect on 5th April 2024 and remain in effect for a period of 6 months and will take effect at times during the above period only when works are required and only when indicated by the appropriate traffic signs, which will be erected in advance of any closure.

There will be no exemptions from the provisions of the proposed Order except for emergency service vehicles on operational duties.

The closures will be clearly signed in accordance with Chapter 8 of the TSRGD 2016 (The Traffic Signs Regulations and General Directions 2016). All affected properties will be notified of the forthcoming closures at least one week prior to the works taking place.

Any person committing a breach of the order will be liable upon prosecution to such fine as is prescribed by the Road Traffic Regulation Act 1984.

28th March 2024
